William R. Walker was released from custody on November 13, 2012, at which time the term of supervised release commenced.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

Upon Mr. Walker's release he was immediately transferred to the District of Idaho to live with his mother and stepfather. However, due to conflicting personalities, the residential situation did not work out. The releasee's parents told the supervising probation officer, the releasee must move out of their residence by December 1, 2012. Mr. Walker has no other residence in which to live. It is therefore requested the court modify the releasee's conditions to include a residential reentry center placement up to 180 days.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

The defendant shall participate pursuant to public law, in a Residential Reentry Center (RRC), Port of Hope, Coeur d'Alene, Idaho, for a period of up to 180 days, to include prerelease component, day reporting and home confinement at the discretion of the Community Corrections Manager and the U.S. Probation Officer. The defendant shall observe the rules of the program and understands that removal from the program may occur for violations of Bureau of Prison rules, program rules or the terms of supervised release. The defendant is responsible for all medical and dental expenses that may be incurred during participation in the program.

Except as herein modified, the judgment shall remain in full force and effect.

I declare under penalty of perjury that the foregoing is true and correct.
